Re: Committee Meeting Scheduled

Authority Board's Investment Committee Sets Teleconference For July 13

The Science & Technology Board of Directors Investment Committee will meet via teleconference at 100 Main Street, Suite 450, Little Rock, on July 13th at 1:30 p.m. to review two resolutions.

One resolution will address authorization to use existing Technology Transfer Assistance Grant (TTAG) funds; the second resolution is to consider awarding Seed Capital program funds to Audio Access of Little Rock.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
